# Western NY- Chapter 1

The Monthly Newsletter of the Western New York Chapter 1 of the Wooden Canoe Heritage Association

August 2020

## **Cancellation of the Canandaigua Outing August 1, 2020**

This is just a reminder that this outing is cancelled due to the COVID-19 Virus.

## **Cancellation of the September Weekend September 11>13, 2020**

After much soul-searching, the only reasonable and safe route to take for all of our members, is to cancel the September Weekend. All of the plans for 2020 will simply be carried over to 2021. It pains me to have to do this because the weekend has given me so many happy memories, but it is the only safe way to go.

Please feel free to contact me if you have questions or concerns.  
Janet

## **Sandy Creek Paddle By: Pete Shea**

With the cancellation of our activities due to the VIRUS, I was wondering what would the interest be in doing a Socially Distant Paddle at Sandy Creek in September. I am available on the following Saturdays in September: 9/5, 9/12, 9/19

If anyone is interested, please respond to this newsletter and provide your available dates.

Thanks,  
Pete
