

A close-up, low-angle shot of the bow of a wooden boat. The hull is made of several longitudinal wooden planks, with a central, lighter-colored plank. The wood shows signs of age and wear. At the very tip of the bow, there is a small, dark, cylindrical object, possibly a metal fitting or a small sculpture. A brass plaque is mounted on the hull, featuring engraved text and two circular decorative elements. The background is a blurred green lawn with some dry leaves.
