

"Old Town 'YANKEE MODEL' Canoe"

A beautiful water scene with an "Old Town" for the centerpiece

Steadiness comes nearly as much from length as from width. Consequently the regular seventeen and eighteen footers are steadier than the regular sixteen footers. To meet the demand for a sixteen foot canoe with as near as possible the stability of the longer canoes this wide "Yankee" model was designed. We recommend it to those who let canoes, and prefer the sixteen foot length, because it is so broad it can be entrusted to those who are not accustomed to handling water craft. Its popularity is widespread and many old experienced canoeists are numbered among its friends.

It will behave admirably and vie with any canoe in beauty. Is an excellent fishing canoe and for carrying large loads where a short length canoe is desired.

Extras page 37. Stock Color Dark Green.
